TREELINE, INC. LAUNCHES NEW WEBSITE

WAKEFIELD, MA – June 6, 2013 – Treeline, Inc. launches new website, making it easier than ever for job seekers and hiring managers to achieve success. Treeline’s new look now matches its hi-tech services and unparalleled commitment to excellence.

For Candidates seeking an opportunity, Treeline now offers a new job search page with advanced search capabilities to help you find your dream sales job. There is an easy accessible login portal to the DADOMATCH platform and your Treeline DADOMATCH resume. Each week, the three hottest jobs on the market are listed to help keep you informed. If you have a question, Treeline has the answer. Just visit the Job Seeker Support page. And in today’s world, we are more social than ever so remember to spread the word. You can now like, share and forward Treeline jobs to friends and coworkers. Whether you are looking for interview or resume advice or need help with your job search, Treeline’s got you covered. Treeline’s blog and newsletter covers the latest hot topics in the industry! So get started today!

For Corporate Clients looking to hire their next superstar, Treeline has the solution. Even though Treeline is known for its best-in-class contingency practices, the company offers services for your every need when building a sales force. If you’re looking to drive traffic and build a pipeline check out Sourcing as a Service. This is a cost-effective and innovative approach to hiring sales people. If you need a project-based approach or contingency, well Treeline has you covered as well. For those of you who have never taken advantage of Treeline’s sales expertise and consulting services, review the Sales Force Optimization Services including the Salesforce.com consulting practice. Whether it be budget, sales hiring advice, salesforce.com consulting or any other challenge faced when hiring a sales force, Treeline has a solution to help you do it right. The Treeline team is committed to sharing knowledge and experience with you and your team to help build world class corporations around the globe.
