Team Treeline Participates in Boston Marathon Jimmy Fund Walk

Treeline recruits a walk team to participate in the 2006 Boston Marathon Jimmy Fund Walk.

Wakefield, Massachusetts: September 18, 2006: Treeline's recent participation in the Boston Marathon Jimmy Fund Walk on September 17 was a great success. Friends, relatives, colleagues, and co-workers joined the Treeline team. Together, they raised several thousand dollars.

Managing Partner Dan Fantasia and the entire Treeline team would like to thank everyone who participated in the walk or made a donation to support both the Dana-Farber Cancer Institute and The Jimmy Fund. Fantasia hopes to continue and expand his involvement in 2007. "We're pleased with this initial fundraising effort, but are looking forward to raising even more next year," he says.
